🌐 mohitrportfolio 📍 Hathras, India

PROFESSIONAL SUMMARY

Information Technology Engineering student with hands-on experience in **programming languages** such as **Java**, **Python**, and **C++**. Developed multiple projects, including a responsive web platform and a Python-based video downloader, showcasing skills in **algorithms** and **web services**. Ready to contribute as an Application Engineering Intern, leveraging strong technical foundation and problem-solving abilities.

EDUCATIONS

Rajkiya Engineering College | Banda 2024 - 2028

Bachelor of Technology

- **Bachelor of Technology**, Rajkiya Engineering College, **Banda**

M.L.D.V. Public Inter College | Hathras 2022 - 2023

Intermediate (12th Standard)

- **Intermediate (12th Standard)**, M.L.D.V. Public Inter College, **Hathras**

M.L.D.V. Public Inter College | Hathras 2020 - 2021

High School (10th Standard)

- **High School (10th Standard)**, M.L.D.V. Public Inter College, **Hathras**

PROJECTS

FindIt – Lost & Found Platform 2024 - Present

- Developed a responsive lost & found web platform inspired by modern UI/UX design references.
- Integrated **Firebase** for **real-time data storage** and item management functionality.
- Implemented search and category filtering features with a clean and user-friendly interface.
- Designed responsive layouts and structured components for seamless usability across devices.

Technologies / Tools Used : HTML, CSS, JavaScript, Firebase

Python Video Downloader | 🐙 Github 🌐 Website 🌐 Leetcode 🌐 LinkedIn 2024 - Present

- Built a **desktop-based video downloader application** using Python automation libraries.
- Implemented media fetching and download functionality with a **user-friendly execution flow**.

Technologies / Tools Used : Python, Tkinter, yt-dlp, Telethon, FFmpeg

REC Banda Website Clone 2024 - Present

- **Developed a responsive institutional website interface** inspired by the REC Banda official website.
- **Implemented structured layouts**, navigation sections, and responsive UI design principles.

Technologies / Tools Used : HTML, CSS

SKILLS

Languages : English, Hindi

Programming Languages : C, C++, Python, Java, HTML, CSS, JavaScript

Soft Skills : Data Structures, Algorithms, Problem Solving, OOP

Tools & Platforms : Git, GitHub, VS Code, Linux, Netlify
